family house fabulously located on the banks
of the Zambezi River. It is ideal for
families or groups looking for exclusivity and
complete privacy while visiting the Victoria
Falls.

Tangala can either
fit in with a safari holiday that ends at Victoria
Falls or as a holiday destination in its own right
– considering all the wildlife and water and
adventure activities that the area have to
offer.

Guests have their own, private guide
and host, chef, waiter, housekeeper, pool and
grounds attendant, as well as private use of
vehicles and boats. On this basis all meals and
bar, as well as river activities from the house
